

Behavioral Health Transitional Age Youth Program

Life at TAY

André Bossieux, Program Manager II and
TAY Partners

One Stop TAY Centers provide mental health services and support to the unserved, underserved and inappropriately served youth ages 16 to 25 in the County of San Bernardino.

Youth who may be or are:

- Emotionally disturbed (16 to 17 year olds)
- Severely and persistently mentally ill
- High users of acute facilities
- Homeless or at risk of homelessness caused by out of home placement
- Suffering from co-occurring disorders
- Individuals with a history of incarceration, institutionalization or recidivists with significant functional impairment

TAY CENTER SERVICES:

- Outpatient Mental Health Services
- Drop-in Services
- Outreach and Engagement

GOALS FOR TAY:

- Becoming Independent
- Staying out of the hospital or higher levels of Care
- Reducing involvement in the Juvenile Justice System
- Reducing homelessness
